WELCOME TO THE COMIC BOOK ADVENTURES OF SONIC THE HEDGEHOG AND MEGA MAN -- A WORLD UNIQUE & BEYOND WHAT YOU KNOW FROM THE SEGA AND CAPCOM GAMES! WHERE SONIC AND MEGA MAN ARE CURRENTLY DUKING IT OUT IN GREEN HILL ZONE!

WHO'S WHO?

PREVIOUSLY

Sonic is the fastest, coolest hedgehog there is. He's spent his whole life traveling, helping his friends, and stopping Dr. Eggman's plans to conquer the world.

After a recent assault by the evil doppelganger called "Copy Robot", Sonic has entered into battle with Mega Man!

SONIC THE HEDGEHOG
FASTEST THING ALIVE

Mega Man was first built as the helper robot, Rock. But when the jealous Dr. Wily unleashed his robots upon the world, Rock had himself modified for combat so he could fight to protect others.

After a recent assault by the evil doppelganger "Metal Sonic", Mega Man has entered into battle with Sonic the Hedgehog!

MEGA MAN
SUPER FIGHTING ROBOT

Drs. Eggman and Wily have joined forces and have rewritten reality with the Genesis Wave. Aboard their flying fortress, the Wily Egg, they watch the blue heroes duke it out... all while their newest creations, the Robotized Masters, gather the Chaos Emeralds for them!

As they mock the dueling heroes, their plans come dangerously close to completion...

Dear Sonic Grams,

You could say I grew up reading Archie's Sonic the Hedgehog, and for what seemed like the longest time I was collecting every scrap I could get. I managed to get a rather complete series piled up from the beginning up to about issue 150ish before life took a busier route for me.

That sounds like a pretty hefty collection you got there!

I have finally begun catching up on it all lately and have been spending some time trying to figure out just what happened. I must admit its been fun -- a good read down memory lane to catch up on it all.

Well, if there are any missing pieces to your Sonic comic collection you can always catch up via our expansive Sonic graphic novel library! All of our books are available for purchase through ArchieComics.com, fine book stores near you, and for digital download on the Sonic comics app!

Well, if I'm going to ask something I figure I should ask a good question -- with Sally

roboticized again would we be seeing a return of Sonic roboticized as well?

Matthew T. O.
sent to Sonic@ArchieComics.com

Thanks for writing in, Matthew! Well, right now in the awesome Sonic and Mega Man Worlds Collide story, Sonic's friends have been transformed into Roboticized Masters, so it's possible! We of course can't spoil anything for you but keep reading to find out what we have in store for Sonic!

Dear Sonic Grams,
Hi.

Howdy pardner!

It's the first time I'm writing you.

This is my first time responding to you! Funny how that works, huh?

I'm very excited to finally write you. I have some questions :

Well my friend, in these parts we call that "the usual" which you will now have!

1) Will commander D'coolette recover from his coma?

We sure hope so! For those of you who haven't read the issue, download Sonic #234

on the Sonic Comics App today to see what happened to poor Antoine!

2) Is Silver going to date Blaze any time?

Mike R.
sent to Sonic@ArchieComics.com

Thanks for the letter Mike! Well, with Blaze being a princess from another dimension and Silver constantly jumping through time it might be kinda hard for them pair up like that! But keep reading Worlds Collide, Silver just got captured so Blaze just might be showing up soon too!

That's all the letters there are for now! Come back here next month for part SIX of the epic Sonic/Mega Man crossover event, and don't miss out on parts 4 and 5, coming soon to Mega Man™ #25 and Sonic Universe #52!
